# WELCOME TO THE HEART OF OUR HAPPENING TOWN.

In Downtown Mooresville, we like to say, "It's Happening". A century ago, our town center wasn't much bigger than a depot where cotton was unloaded from trains. Today, it's the vibrant center of a thriving town, buzzing with unique boutiques, mouthwatering dining, creative entrepreneurs, stylish places to live, extraordinary events happening all year-long, and heaps of Southern charm.

Check out what's "brewing" in the DTM Social District. Downtown Mooresville now offers customers a chance to have a 21+ beverage while strolling through our quaint downtown. Many of our small businesses also allow those beverages inside - so you can sip AND shop, 7 days a week, Noon to 10pm. Come wander through floral wonderment during our "pop up" #SpringIntoDowntown and #FallForDowntown displays in JF Moore Park.
